THE APPROACHING SESSION of Congress is calling out many speculations as to its probable proceedings. There will be an impeachment party, a party for revising the revenue and financial laws, and a party for confining legislation to reconstruction. On the latter point the South is threatened with new severities, although it is conceded by our bitterest enemies, that she has done nothing to excuse it. We are to be beaten for Mr. Stanbery's Opinion!

POVERTY. - Such seasons of dullness as the poverty. A case was reported yesterday, in Hoboken, of a respectable young man, who had to commit the offence of stealing a loaf of bread. This is but one of a multitude of cases of extreme poverty now existing in this city same section as Peruvian, which it closely reand its vicinity. A great number of young sembles in texture and appearance. It is much men and women have been discharged from richer in Phosphate, but has less Amonia. A large increase is indicated in Virginia, Georgia, Arkansas and Tennessee, and in the South generally, and a slight advance is shown in the New England and Middle States.

HOLDERS OF SEVEN-THIRTIES.—Holders of Seven-thirty notes are notified that the Treasury Department is now prepared to give in years from the first of July, 1867. Holders are also notified that the Depart-

REPARATOR CAPILLI.

of the owner.

Throw away your false frizzes, your switches, your wig— Destructive of comfort, and not worth a fig ; Come aged, come youthful, come ugly and fair, And rejoice in your own luxuriant hair.

REPARATOR CAPILLI, For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to three months. A few ignorant practitioners have assected that there is nothing that will force or serted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep t, send us \$1, and we will forward it, postpaid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given.
